

# TALK of the TOWNship

Summer  
2022

## *From the Manager's Desk...*

As we enter into 2022, your Township is set to undertake a number of projects and exciting initiatives. This includes updating our Comprehensive Plan, the Township's most important planning document related to land use and development, improvements in Boiling Springs, including work on Children's Lake and street-scaping and sidewalk construction on First Street and Front Street, significant investments in our parks system, roadway improvements, planning for future expansion at the Carlisle Airport, and possible changes to the Township operations. Many of these items, and more, are covered in this issue of the Talk of the Township.

## **A New Era in Parks & Recreation Investments**

A Township amenity that has few peers is our parks. A number of studies show that a dynamic parks and recreational system has significant community benefits, such as lowering crime, boosting the local economy, and preserving open space, as well as personal advantages like increasing property values, improving health, and offering no-cost recreational opportunities. However, despite the high-recognition and value placed on our 11 parks and their 300 acres, national trends actually show that we have been supporting a first class parks system at half the rate it costs to actually operate an average one.

South Middleton is seeing exponential growth in population, the latest census shows a 10% increase, not the least bit driven by our public amenities, especially our parks. Due to increasing pressures and demands on our recreational facilities, this year the Township implemented a modest parks and recreation tax; its proceeds fully dedicated to supporting and maintaining our parks and their development. This includes the continued implementation of a number of ambitious projects and initiatives, such as the Spring Meadows Park and South Middleton Park master plans, which immediately includes constructing a new adult exercise complex and large playground at the former, and planning for building new tennis and pickleball courts, at the latter. We will also move forward with implementing the Township's recently-adopted Active Transportation Plan, which calls for the construction of new bicycle paths and hiking trails throughout the Township. Finally, as part of the Walnut Bottom Road Master Plan, we will turn our attention to the northwestern portion of the Township, an area currently

lacking access to park space. All of these plans are available on the Township's website for further inspection.

The Township also offers hundreds of recreation programs throughout the year (please see our Summer offerings elsewhere in this Newsletter). A challenge however has been finding dedicated space to host many of our indoor programs and activities. Our community partners which have hosted our activities in the past have been tremendously helpful, but moving forward, to better plan and coordinate our growing array of programs, it has become necessary to find alternatives. So, earlier this year, the Township acquired the former Fair Oaks School property off of Petersburg Road. It is our intention to develop the building into a community center, to be used not only as a dedicated space for our indoor recreation activities but also to host and expand our very popular daycare and preschool programs. The 24 acres of adjoining land will likely be maintained as a wooded, passive park, to be connected via trails to adjoining neighborhoods. We anticipate renovating the building's interior and eventually expanding it to eventually include space that could be rented out for community events.

Finally, the Township also recently acquired the former ATC office building next to Children's Lake. This purchase also included the parking lot and Gazebo. Long considered a community gathering space, the Township purchased this property so that our residents can have greater access and use of it. It is our intention to remove a number of dead and dying trees, to open it up and clean its appearance; some of that work has already occurred and will continue.

# SOUTH MIDDLETON TOWNSHIP

## BOARD OF SUPERVISORS

Standing (L-R) Ron Hamilton, Duff Manweiler.  
Seated (L-R) Walter "Rick" Reighard (Vice Chairman),  
Shelly Capozzi, Bryan Gembusia (Chairman).  
supervisors@smiddleton.com

**TOWNSHIP SOLICITOR** - Bryan Salzmann (Salzmann Hughes)

## EMERGENCY

**If an after hours emergency occurs in the Township,  
please observe the following procedures:**

**Police, Fire & Ambulance:** Call **911**  
**PA State Police Carlisle Non-Emergency:** **717-249-2121**

**Roadways:** Call the Township Office at 717-258-5324 and  
leave a message. We will respond as quickly as we can.  
If you have an emergency, please call 911.

**Sewer & Water:** Call the Municipal Authority Office at  
717-258-6476. An answering service will direct your call.

## 2022 HOLIDAY SCHEDULE

JANUARY 1 - NEW YEAR'S DAY  
APRIL 15 - GOOD FRIDAY  
MAY 30 - MEMORIAL DAY  
JULY 4 - INDEPENDENCE DAY  
SEPTEMBER 5 - LABOR DAY  
NOVEMBER 11 - VETERAN'S DAY  
NOVEMBER 24 - THANKSGIVING DAY  
NOVEMBER 25 - FRIDAY AFTER THANKSGIVING  
DECEMBER 23 - HALF-DAY, CHRISTMAS EVE  
DECEMBER 26 - CHRISTMAS  
DECEMBER 30 - HALF-DAY, NEW YEAR'S EVE

## From the Tax Collector

You should have received a County and Municipal Real Estate Bill at the beginning of March if you own real estate in South Middleton Township. If you did not receive this bill, please contact me at 717-258-0127 and I will provide you with a copy of the bill. South Middleton School District Real Estate Bills will be mailed the beginning of July. When using on-line/web banking to pay your bill, please include the tax bill number in the memo section. If you require a receipt of payment, please include a self-addressed stamped envelope with your payment. I accept credit and debit cards; echecks; personal, bank and business checks;

money orders and cash as forms of payment. There is a drop box at my office and at the Township Building for non-office hour payments. The credit/debit card and echeck processing company charges a 2.4% processing fee that is based on the amount of your bill for credit and debit card payments and a flat \$2.95 for echeck payments. This fee will be added to your payment. To pay by credit/debit card or echeck, please visit my website [smtaxvarner.com](http://smtaxvarner.com) or come to my office in the Township building. My office will be closed June 9<sup>th</sup>-June 17<sup>th</sup>. I apologize for any inconvenience this may cause. Thank you!

## MS4 Update: Plant Native this Spring!

Native plants are species that grow naturally in our region and have not been imported to the area by others. These plants have adapted to local soils, climates, micro-organisms, and insects. Since they have evolved in natural conditions, they do not need excess care like fertilizers, extra watering, or other chemical applications like many non-native species do. Therefore, the planting of native plants is more likely to reduce the amount of maintenance needed for landscaping. Local wildlife relies on native plants to survive and reproduce, so planting native species will benefit birds, butterflies, and many other species.

Native plants are beneficial in terms of stormwater management because they usually have deeper and more extensive root systems that prevent erosion and provide extra filtration. Water quality in streams also benefits from native plants as they require little to no fertilizer or chemical application, which can harm stream ecosystems. A few common native plants that can be found at your local garden centers are purple coneflower, black-eyed susan, swamp milkweed, wild columbine, switchgrass, and cinnamon fern. There are a number of online and local resources that can assist

with identifying and locating native plants that would be appropriate for your landscaping.

A Rain Garden is a type of garden strategically located so that it can intercept stormwater and allow the water to infiltrate into the soil. Rain gardens can be located near downspouts, next to the driveway or sidewalks, or out in the yard. You can allow the rain to naturally collect in the rain garden or you can direct stormwater from the downspout or gutter with a length of plastic pipe. Rain gardens are a great way to showcase native plants and also promote stormwater management on your property.

South Middleton Township maintains a Municipal Separate Storm Sewer System (MS4) permit and works to prevent stormwater pollution through a required stormwater management program. This program requires education and outreach to target audiences throughout the Township on topics pertaining to stormwater pollution and stormwater management. For additional information on the Township's MS4 efforts, please contact Kelly Kurtas, Environmental Planner and MS4 Coordinator at [kkurtas@smiddleton.com](mailto:kkurtas@smiddleton.com).

### Did you know?

## Building & Zoning Permit Edition

Did you know, most major home improvement projects require a permit? Before starting work on your property, please contact the Township to ensure whether a permit is required. Starting a project without a permit may result in additional fees and the permit cost will be doubled!

**Electrical plans will no longer need to be submitted to Middle Department Inspection Agency (MDIA) for review. Township Building Inspector(s) will now be reviewing and issuing electrical permits.**

See the list below for a few examples of the projects that require a permit and those that would not.

**PERMIT NEEDED:** Above-ground/in-ground pools, solar panels, additions/alterations to dwelling, decks, accessory structures, patios, fences, sheds, carports

**PERMIT NOT NEEDED:** If no structural changes; replace windows, re-shingle roof, replace siding, replace door. Also security alarms and temporary pods

## MARK YOUR CALENDAR

- May 20 ..... Friday Fest (Vintage Crew)
- May 29 ..... Memorial Day Parade
- June 4 ..... Foundry Day  
ATC Music Fest
- June 17 ..... Friday Fest (West Shore  
Symphony Orchestra)
- June 25-July 3 ..... Carlisle Summerfair
- July 15 ..... Friday Fest (Jack's Back)
- August 2 ..... National Night Out
- August 19 ..... Friday Fest (Sweet Life Music  
& Movie "The Lion King")
- September 4 ..... BFF Day

### Save the Date:

Senior Expo & Health Fair 2022  
Wednesday, September 21 - 1:00 to 4:00 pm

**Day at the Lake is cancelled for 2022** due to construction at the lake.

# Township Ordinances & Resolutions

Over the past several months, the Board of Supervisors has considered and approved a number of ordinances and resolutions. A copy of these documents can be found on the Township's website or obtained at the Township Office. All resolutions are effective immediately and ordinances five days after approval, unless otherwise noted. The following are a summary of these actions:

## NEW ORDINANCES

**Supervisors Compensation – Ordinance No. 2021-10**  
Pegs compensation rates of the Supervisors to the Second Class Township Code.  
*Approved by the Board of Supervisors: December 16, 2021*

## NEW RESOLUTIONS

**Sewage Planning Modules – Resolution Nos. 2021-26 & -27**  
Adopts a sewage planning module for Cambria Place (#21-26) and Justin Junkins (#21-27)  
*Adopted: December 16, 2021*

**Fee Schedule – Resolution Nos. 2021-28 & 2022-05**  
Amends the Township's Fee Schedule to increase application fees for Master Plan submissions (Land Development) (#21-28) and various codes and building fees (#22-05)  
*Adopted: December 16, 2020 (#21-28); January 20, 2022 (#22-05)*

**2021 Budget – Resolution Nos. 2021-29, -30, -31, & -32**  
Sets the Fire Tax (#21-29), Road Tax (#21-30), and Parks & Recreation Tax (#21-31), and the General Operating Budget for the Township for 2022 (#21-32).  
*Adopted: December 16, 2020*

**Zoning Hearing Board Appointments – Resolution Nos. 2022-01 & -06**  
Appoints Mark Galbraith as member (#22-01), and Allison Earnst as alternate member (#22-06) to the Zoning Hearing Board.  
*Adopted: January 3, 2022 (#22-01); January 20, 2022 (#22-06)*

**CPA Appointment – Resolution No. 2022-02**  
Appoints Smith, Elliot, Kearns, & Co., LLC, to perform the Township's annual audit.  
*Adopted: January 3, 2022*

**Opioid Settlement Agreement – Resolution No. 2022-03**  
Elects to participate in the opioid settlement resolution between the Commonwealth and various national pharmaceutical companies.  
*Adopted: January 3, 2022*

**Grant Applications – Resolution Nos. 2022-04 & -07**  
Submits grant applications to the PA Fish & Boat Commission Public Access Grant Program (#22-04) (Children's Lake Parking Lot project) and DCED/CFA Statewide Local Share Account (#22-07) (Community Center project).  
*Adopted: January 3, 2022 (#22-04); February 10, 2022 (#22-07)*

**Traffic Maintenance Agreements – Resolution No. 2022-08**  
Empowers the Township Engineer to sign traffic maintenance signal agreements on behalf of the Township.  
*Adopted: March 10, 2022*

**Foundry Day – Resolution No. 2022-09**  
Approves the hanging of a banner announcing Foundry Day 2022 across 1st Street.  
*Adopted: March 31, 2022*

**Open Records Officer – Resolution No. 2022-10**  
Appoints Ali Wood as Township Open Records Officer.  
*Adopted: March 31, 2022*

## Did you know? Debris Burning Edition

- Emissions from burning trash daily in a barrel from just 40 households, can produce levels of toxic emissions comparable to a well-controlled 200 ton/day municipal incinerator.
- **Health Risks:**
  - Burn barrels can emit lead, cadmium, and chromium as well as unhealthy levels of carbon monoxide.
  - Contaminants can damage lungs, kidneys, nervous systems, and the liver.
  - Dioxins produced by burning are linked to cancer, delays in childhood development and damage to the immune system.
  - Long term exposure to pollutants caused by debris burning can lead to cancer and emphysema.
- The number one cause of wildfires in Pennsylvania is debris burning.

For these reasons and more, South Middleton Township has enacted a Fire Code (Ord. #03 of 2017) which prohibits open burning except for cooking and normal agricultural operations. Not only is it unlawful to burn debris in SMT, according to the Recycling Act of 1988 (Act 101), it is illegal to burn waste and materials that are considered recyclable in your municipality. Instead of burning your debris, try recycling it! The recycling guidelines are posted on our website or at the Township Office. Some yard waste can be taken to our local compost site at 615 Lindsey Road.

## PUBLIC WORKS - IMPORTANT DATES

Street Sweeping .....April 11th – May 20th  
Spring Brush Pickup.....April 18th – April 29th  
Fall Brush Pickup .....September 6th – October 7th  
Fall Leaf Pickup .....October 31st – December 2nd

*For more info on these dates, visit our website*

# TOWNSHIP MEETING SCHEDULE

All meetings are subject to final approval and advertisement by the various boards involved.  
Please check the Township website or call the Township office for an update.

## MAY

- 9 Zoning Hearing Board ..... 5:00 PM
- 11 Building Code Appeals Board ..... 4:00 PM
- 12 Board of Supervisors..... 6:00 PM
- 19 Parks & Recreation Board..... 6:00 PM
- 24 Planning Commission ..... 6:00 PM
- 25 Building Code Appeals Board ..... 4:00 PM
- 26 Board of Supervisors..... 6:00 PM

## JULY

- 11 Zoning Hearing Board ..... 5:00 PM
- 13 Building Code Appeals Board ..... 4:00 PM
- 14 Board of Supervisors..... 6:00 PM
- 19 Planning Commission ..... 6:00 PM
- 21 Parks & Recreation Board..... 6:00 PM
- 27 Building Code Appeals Board ..... 4:00 PM
- 28 Board of Supervisors..... 6:00 PM

## JUNE

- 8 Building Code Appeals Board ..... 4:00 PM
- 9 Board of Supervisors..... 6:00 PM
- 13 Zoning Hearing Board ..... 5:00 PM
- 16 Parks & Recreation Board..... 6:00 PM

- 22 Building Code Appeals Board ..... 4:00 PM
- 30 Board of Supervisors..... 6:00 PM

## AUGUST

- 8 Zoning Hearing Board ..... 5:00 PM
- 10 Building Code Appeals Board ..... 4:00 PM
- 11 Board of Supervisors..... 6:00 PM
- 16 Planning Commission ..... 6:00 PM
- 18 Parks & Recreation Board..... 6:00 PM
- 24 Building Code Appeals Board ..... 4:00 PM
- 25 Board of Supervisors..... 6:00 PM

**Meeting Locations:** Board of Supervisors, Planning Commission, Zoning Hearing Board and Parks & Recreation Board: South Middleton Township Municipal Building, 520 Park Drive, Boiling Springs, PA 17007

**Municipal Authority:** South Middleton Township Municipal Authority Office, 345 Lear Lane, Boiling Springs, PA 17007

Anyone with special needs requesting assistance at any meeting should please contact the Township Office at least one week prior to the meeting date to make arrangements for assistance.

## Municipal Authority

**Project Preview:**

Water Main Replacement and Connection along S. Spring Garden Street and York Road – the York Road portion of this project has been bid and is scheduled to begin early 2022.

**Low Income Household Water Assistance Program:**

The Authority is now a vendor with the Low Income Household Water Assistance Program (LIHWAP). If you or someone you know is in need of financial assistance to pay past due water and or sewer bills, please see the Authority website for more information detailing the LIHWAP.

**Bill Reminder:**

Due to US Postal System delays please keep in mind that bills go out quarterly from the Authority (on or around the following dates: January 3, April 3, July 3, October 3). If you do not receive your bill please contact the Au-

thority office to verify the balance due, in order to make payment before the due date for each respective quarter (February 3, May 3, August 3, November 3). Email billing is also able to be set up with the Authority. If you elect for electronic billing, you will not be mailed a physical bill. If you would like to set up electronic billing, please contact the Authority office.

**Did You Know??**

Water regulates the Earth’s temperature. It also regulates the temperature of the human body, carries nutrients and oxygen to cells, cushions joints, protects organs and tissues, and removes wastes. (Data from [www3.epa.gov/safewater/kids//waterfactsoflife.html](http://www3.epa.gov/safewater/kids//waterfactsoflife.html))

Additional information regarding meeting information can be found on the Authority website ([www.smtma.net](http://www.smtma.net)). If you have any questions, please contact the Authority office during normal business hours at (717) 258-6476.

## Waste Management Update

As many of you may already know, the Township has opted to extend our current trash & recycling contract with Waste Management (WM) for another year, effective March 5, 2022 through March 3, 2023. The Township did go through the re-bidding process, however the only hauler that bid was Waste Management, at much higher pricing than the current contract.

Pricing for the year is as follows:

- Flat Rate Pricing: \$56.88 per quarter
- Per Bag Pricing: \$156.60 for the year, \$5.46 per additional bag
- Per the contract, no other fees may be added other than a late fee.

The Township is aware of the multiple issues residents are experiencing, and we are working closely with representatives for resolution. Township staff has been informed that services should improve as they have addressed staffing

shortages and continue to upgrade equipment. Township staff was also informed that the billing concerns are being addressed, that when WM switched their billing from Advanced Disposal's system to their own, some codes were not transferred. If an account did not have the correct SMT code, the customer could be charged the incorrect quarterly price and additional charges (such as the \$8.50 administrative charge) could be added. WM representatives have assured us that these issues should be credited/resolved for the next quarterly invoice.

Despite WM's assurances, it is still vital that they meet their contractual obligations, so The Board of Supervisors have directed the Solicitor to explore legal action against the company. We urge anyone with issues to continue to reach out to Waste Management Customer Service at 800-634-4595 or come to a Supervisor's Meeting.

## Sandy – Co-worker and Friend

*By Barbara Wilson, former Township Manager*

Hiring a new person, especially for a critical person in your organization, is not always easy. Many times there are doubts about whether or not a 'good fit' is possible given the complexities of some positions. Will personalities mesh? Will the new person understand what is needed and expected especially when it's hard to quantify the particular nuances of the position? Is that person capable of completing all the extra duties that will arise in the coming months and years considering how your organization is growing?

In the early 1990's, South Middleton Township was experiencing a growth spurt which resulted in a demand for more staff to meet the needs of the residents as well as the mandates that were required by the State. The first step in hiring more staff was finding a good Administrative Assistant/Township Secretary. To make this even more complicated, this person was to fill the position I had held before being promoted to Manager so I was even more particular about the new hire.

I shouldn't have been concerned. We interviewed a few good candidates, but as soon as we met Sandy Quickel, we knew we had found our new addition to the staff. During the interview process, Sandy exhibited a calm assurance that she was up to the task. We hired her and on June 2, 1992, she embarked on her 29+ years of service

to South Middleton Township. She quickly learned the job as presented as well as all the new duties that landed on her desk as the years passed and the responsibilities changed. Over the years, Sandy has helped thousands of residents, scores of co-workers and me. She was the go-to person when someone had a problem; when someone needed files or records of previous actions; or to simply talk through issues facing us. For me, personally, Sandy was always there to help more times than I can count. When someone says, "I don't know what I'll do without Sandy" (and many people have said that over the years), I know exactly what they mean.

I could not say "thank you" enough for all the good things Sandy brought to the Township. She is not only the best secretary we could have asked for, but also the best co-worker and friend to all of us. We were very fortunate to have her for more than 29 years. She will be missed more than we even know.

Congratulations, Sandy, on your retirement. It's time to do all the things you have wanted to do for a long time. You will now have time for yourself, your family, your friends and all those special things you really want to do. We wish you the best of everything. Enjoy retirement – you have earned it! Best wishes from a grateful Township.

## SUBDIVISION & LAND DEVELOPMENT PLANS

### APPROVED:

- JJC Investment Properties, LLC, 1 lot, Plaza Drive, Conditional Use
- Craig & Mary Paxton and Daniel Seth Paxton, 1 Lot, 29 Victory Church Road, Lot Alteration Final Subdivision
- Sara & Romano Gelsomino, 1 Lot, 1152 Rockledge Drive, Conditional Use
- William E. Ohrum, 1 lot, 328 West Old York, Conditional Use
- AAMPA Holdings, LLC, 1 lot, Logistics Drive, Conditional Use

### PENDING:

- Westmooreland Phase 1, 38 lots, Walnut Bottom Road, Final Subdivision & Land Development
- Georgetowne, 205 lots, South Ridge Road, Conditional Use
- Georgetowne, 205 lots, South Ridge Road, Preliminary Subdivision & Land Development

- 25 Lisburn IOS, 1 Lot, Lisburn Road, Preliminary Land Development
- Donald G. & Kathleen Urso Pratt and Amanda Zeiders, 1 Lot, 815 Petersburg Road, Lot Alteration Final Subdivision
- Cambria Place, 1 Lot, 1201 Walnut Bottom Road, Final Lot Consolidation and Land Development

## Bubbler Foundation Update and News

The Bubbler Foundation has stayed busy, "popping up" at events all over town. This includes partnering with Carwood Farms at their recent community event to offer beef bundles to support local families in need, joining the Civic Association for the Santa's Village at Spring Meadow Park, assisting children with their letters to Santa, "manning" concession stands at recent Bubbler high school basketball games, and hosting a Teacher's Appreciate Breakfast in March. Coming up, the Foundation will again host its Annual Dinner at Allenberry on May 6, as well as BFF Day on September 4 at South Middleton Park. There will again be the Kids' Zone, with bounce houses, face and rock painting, games, and more. There will also be food, free snow cones, the Steve Morrison band will perform, and the famous Rubber Ducky Regatta race. The day will culminate at the High School for our annual fireworks display.

The Foundation is also seeking individuals to serve a three-year term on its board of directors. Applicants must reside in South Middleton Township, be an alumnus of Boiling Springs High School, or a retired employee of the South Middleton School District. Those interested should submit a letter of interest and a resume to the Bubbler Foundation at 4 Academy Street Suite, 100 Boiling Springs, PA, 17007, or email to [Director.Bubbler-Foundation@smsd.us](mailto:Director.Bubbler-Foundation@smsd.us).

The Bubbler Foundation is a 501c3 organization and is also approved under the PA Educational Improvement Tax Credit Program (EITC). The Mission of the Foundation is to "enhance and supplement the academics, arts and cultural, athletic, environment, and health and wellness experiences for the children and residents of South Middleton Township." For more information about the Bubbler Foundation, including upcoming events, please visit its website, [www.bubblerfoundation.org](http://www.bubblerfoundation.org).

**Compost Site Rules**

Must be a South Middleton Township resident. Please remove all containers and bags.

**Accepted**

- Leaves on leaf pile only
- Brush/shrubbery clippings
- Dry ornamental grass
- Logs under 8" diameter/less than 6' long
- Pine cones and seed pods in compost only
- Shrubbery roots that are free of dirt and stones

**Not Accepted**

- Weeds from garden
- Grass clippings, garbage, dirt, stones
- Nuts, fruit, vegetables
- Corn fodder, corn cobs, mulch/old compost
- Construction materials
- Logs over 8" in diameter

- The Compost Site is a No Smoking facility.
- Residents are required to have an access sticker affixed to their windshield (preferably in the lower corner of the passenger side) or access will be denied.
- No commercial business or hauler may drop off or pick up any product without a completed authorization form. The forms are available at the Township office and must be signed by a Township resident.
- Leaf mulch and tanbark are free to Township residents, but must be hand loaded by the resident.
- Due to the high probability of vehicle damage or bodily harm, Township residents and employees are prohibited from machine loading any product.
- The Township staff appreciates the cooperation of all involved with the operation of the compost site, as we pride ourselves in providing a quality product free of charge in a safe environment to all residents.
- Questions shall be directed to South Middleton Township Roadmaster Russel Yinger.
